

Pre-Calculus

Text: Advance Mathematics a Pre-calculus Course

copyright 1994 by Houghton Mifflin Company.

Materials: Students will be using the TI 84 Silver Plus graphing calculators during class this year. Calvert High School does have calculators available for student use.

Units: We will attempt to cover chapters 1-11 and 16 in our textbook.

Homework: Each student has received a copy of the course grading policy. Each student will have a daily assignment to be completed by the assigned date. Each student may receive a copy of an "I Can" grading sheet each quarter to keep track of all grades received for the quarter.

Grading: The quarter grade will be determined by the grades received in each of the six categories:

- * Homework Assignments*
- * Major Quizzes *
- * Daily Quizzes *
- * Challenge Problems *
- * Quarter Project *
- * Self & Group Assessment *
